# HUMPHREY PUBLIC SCHOOLS

Humphrey Public Schools is a state accredited Nebraska school district. The high school is a class "D1" school and participates in the activities of the Nebraska School Activities Association. A PK-12 school is operated in Humphrey while a Kindergarten, Special Education and Title I center is operated in Lindsay, NE. Special Education and Title I services are also provided to qualifying students at Humphrey St. Francis. Humphrey Public also provides early childhood special education services across the district to qualifying students.

The school district covers roughly 163.8 square miles and had a total enrollment of 306 students on October 14, 2022, which is the beginning of the second quarter, which includes 12 students enrolled in Kindergarten at the Lindsay Attendance Center.

Humphrey Public School officially became a member of the East Husker Conference in 2012-2013.

## IT'S A GREAT DAY TO BE A BULLDOG!

- Proactive Board of Education
- Professional and Progressive Staff
- All PK-12 curriculum is aligned and updated
- Strong Career & Technical Education programs
- HPS is 1:1 in grades K-12
- State Assessments and ACT Scores are generally above the state average
- Dual Credit and College Courses offered
  - 2022-95% of seniors graduated with college credits / 2023 - 62% of seniors graduated with college credits.
- Implemented Diversified Occupations program to reach those not interested in completing college credits.
- Nebraska State Accredited Early Childhood Education Program

### School Improvement Goals (MATH)

- All PK students will increase their number identification accuracy.
- All K-1 students will increase their math fact fluency (addition and subtraction on district assessments).
- All 2-6 students will meet or increase their MAP Math RIT score at their grade level in mathematical concepts.
- 80% of students 7-12 will score in the average range or above in the area of Algebra, specifically algebraic processes on the MAP test.
- 80% of students 7-12 will score in the average range or above in Geometry, specifically in the area of measurement.
