Kevin Brandl

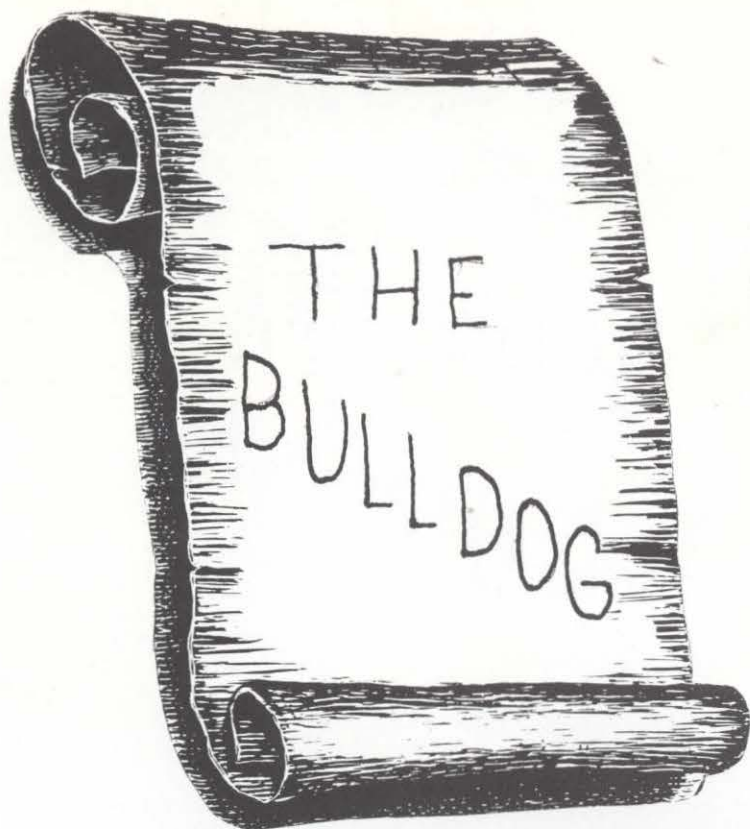

# DEDICATION

We, the Annual Staff of 1969, wish to dedicate this Bulldog Yearbook to "Rink" Lachnit.

He has been a bus driver since 1953 and has shown great patience when driving the school buses. His school spirit and support have been greatly appreciated. His friendship to all will never be forgotten. We hope that he will continue to be as great a fan in the future as he has been in the past.

THANKS RINK!

SPORTS

# HOW IT WAS DONE

JIM UCHTMAN

# JIM UCHTMAN

The Bulldog salutes Jim Uchtman as the outstanding athlete of Humphrey High School for the year 1967-68.

In football Jim received all-conference honors in the Thunderbird-Conference and quarterbacked the 1966 squad to a 9-0 record. Jim also received honorable mention for Class D All State in football during the 1966 season. Jim suffered a knee injury during the early part of his senior year (1967) and was not at full strength for the remainder of the season.

In track Jim established new school records in the shotput and discus. Jim also high jumped and ran a "leg" on the mile relay team that holds the school record.

Like most, we have saved the best for last. Jim's real forte was basketball. There were few times when a "buck-et" was needed that Jim did not get the job done. A little more hustle was probably the only thing that could have been asked, but this could probably be asked of about everyone.

The following are some of the honors, records, and statistics that Jim compiled during his four years at H. H. S. in basketball.

- 1964--1965. . . . All Conference Trans-Platte Conference  
Honorable Mention Trans-Platte Conference  
Honorable Mention Mid-State Conference
- 1965--1966. . . . All Conference Thunderbird Conference  
All Conference Mid-State Conference
- 1966--1967. . . . Thunderbird All Conference  
1st Team Mid-State All Conference  
Honorable Mention Class D All State
- 1967--1968. . . . 1st Team Mid-State All Conference  
1st Team Thunderbird All Conference  
Class D All State

## SCHOOL SCORING RECORD

Single Game 52 points  
Career 2040 points

As far as it is known, there is only one other player in the history of Nebraska High School Basketball to score over 2000 points in his career. This is some plateau to reach.

It has been said, "That athletics build good men." If Jim is typical of what a good athlete is, then you could add that athletics have built a fine young man or a fine young man has helped to build athletics.

May success continue to follow you throughout life, and thanks for the contributions and publicity you brought to Humphrey High School.
