We, the annual staff, wish to dedicate this annual to Jackie Kresha, who touched everyone's heart with cheerfulness. Jackie was extremely active in school and in extracurricular activities. In time of trouble, she always seemed to come out of it with a smile. We know everyone will cherish the memories they have of her.

Annual Staff

FACULTY

Mr. Duane Miller
Superintendent
Kearney State College, B. A.
University of Wyoming, M. Ed.

Our annual is growing, our school is growing, and the students within these pages show that our nation is. As high school students, it is their job to show the world that it is not just growth that is important, but the methods, the standards, and the principles one uses to achieve growth. It is my sincere hope that this class annual will become a reminder of the principles gained during these high school years.

Mr. Miller

Mr. Leroy Ditter
Principal
B. A. Wayne State
American History, World Geography
Biology, Head Coach-Football,

I would like to thank the annual staff and supervisors for their efforts and cooperation with all involved in making this annual possible.

Each year the annual gets bigger and better and this year I am sure will be no exception.

I would also like to thank the student body for the cooperation received the past years while being principal. I hope you give future associates the same consideration.

The Notables.

Homecoming this year proved to be a rather busy day. Early in the morning Mrs. Zavidil delivered the cake which was to be served at the dance. Many students worked together in putting up the decorations for Homecoming. After the senior boys arrived at school, they began putting up the Bulldogs out in front of the school. Later in the afternoon the pep club girls put up the decorations for the dance and the field while the rest of the students worked on floats. Even though a fine mist of rain soaked many of the streamers and decorations, the students were able to finish their floats in time for the game. Later after the game, the students danced to the music of the Notables from Vermillion, South Dakota.

OOoo, the pain of it all.
