**WE TALK
OF POEMS**

AND PRAYERS

**AND
PROMISES**

AND THINGS THAT WE BELIEVE IN

Shakespeare's not TOO hard to understand--with my Cliff Notes. . .You know, and I know, and Mr. Ditter knows, that H.H.S. is great! . . .Y'know, Ted, I don't think Mrs. Colhouer approves of the way we behave in class! . . .There's so much to do and to think about-- games, tests, winning, losing--where do we find the time? Everything is important, yet nothing is. There's so much to choose from--what do I do next? Should I go out for basketball--or maybe I need the extra time to study? I want to take physics, but band is at the same time! Do you know, I didn't have any study-halls this semester, but I'm dropping four classes in January!! How do you do it? Cheerleading, studying, sports, clubs --I can't even find time to eat anymore . . .But just wait til summer!!

HOW SWEET IT IS

TO LOVE SOMEONE

What do I love? Phyllis' cooking! . . .We love Ted--can't you tell? . . .Oh, I love Mommy, and kittens, and my teacher, and being able to count to ten! . . .I don't have to KISS her, do I? . . .Touchdown! WE LOVE OUR TEAM!!!

Sounds of love--we hear them throughout our lives. We LOVED going roller-skating; I LOVE it when we talk about basketball during English class. We experience love every day, in some form or another. It can make us so happy we want to burst with joy; it can bring tears to our eyes. Part of growing up is learning to accept love, as well as to give it. There are just some things you don't learn from books--isn't that a refreshing thing to know?

HOW RIGHT IT IS TO CARE

I've gotta win--get ahead, get ahead. . .Of COURSE I care if you get suspended--if I don't get a vacation, you don't. . .Boy, that's the first question I've been able to answer. . .No, we don't serve watered-down chili in this cafeteria! . . .Now, If this picture will just fit here, we're finished. Deadlines to meet, competition to beat, grades to worry about--all a world of learning, playing, caring.

Wow! Do you believe it? School is actually enjoyable--halfway! This is the year we won our freedom-- a new breakthrough in Senior Privileges! It's nice to have time to sit around in the Student Lounge or play fooseball--and Mr. Deger even lets us come up to his office anytime just to rap about anything. THAT'S caring!

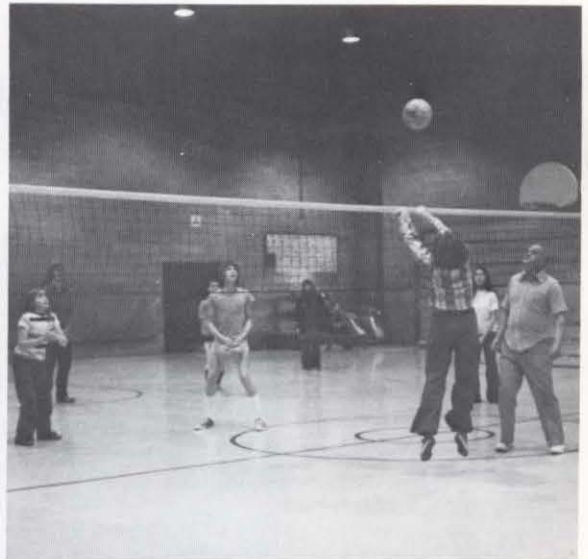

WHAT ABOUT TOMORROW?

WHAT ABOUT TOMORROW?

Do you think I'd have much luck as a deep sea diver? . . . Maybe I'll stop being so good and resort to a life of crime. . . Don't tell me you got ANOTHER scholarship. . . At the price of gold, ring salesmen must make a mint! . . . The future Olympic volleyball team is practicing hard!

Jane's going to Nettleton, Margaret and Hugh are taking off for Yankton College--what are we going to do? Work? Go to college? I'm going to be a ditch digger! It's so hard to decide--I don't know what will happen tomorrow. Today I want to be a doctor, tomorrow it'll be a lawyer, and next month I'll have a secretarial job. Somebody, Help! Ah, to be in kindergarten again . . . the only thing we'd have to worry about is whether or not we were flunking recess.

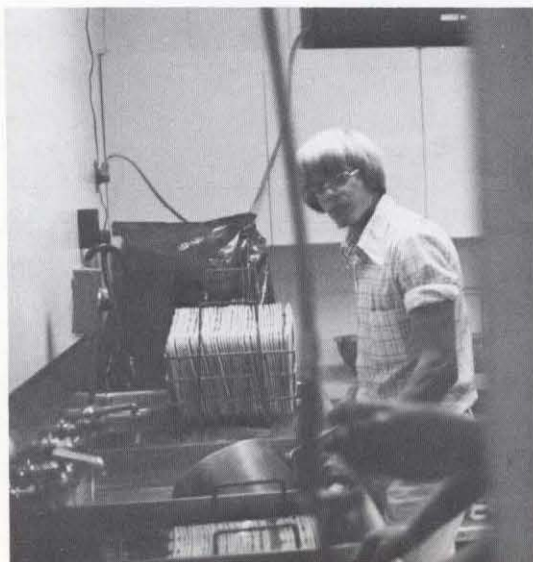

WHAT ABOUT OUR DREAMS

I always dreamed of marrying a 90 year-old millionaire with terminal cancer. . .I wonder how they'll be dancing in twenty years? . . .Let's go, Bulldogs--you can do it. . .Such are the dreams of the everyday dishwasher. . .My God, help me get through this day.

Where will we all be ten years from now? We're starting to reach for our goals, but they seem so distant, so unattainable. Will we ever make it? Only time will tell, and time can be our worst enemy. It passes so quickly--before we know it, our dreams become a reality. We work so very hard, and there are times when we think, Forget it, I'm finished, but we always manage to struggle on somehow. And just when we think, There's no way, man--we're there, at the end of our rainbow. We made it!!

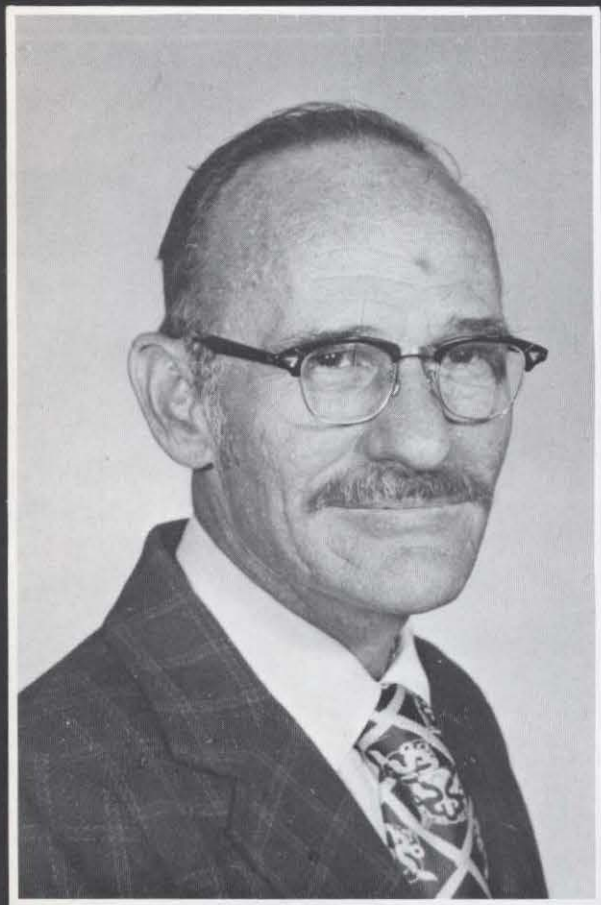

AND ALL THE MEMORIES WE'VE SHARED

Well, the Student Council TRIED hard to win! . . . Oh, yes, that wall is from the fifth grade, but we had to paint over it--sure does bring back memories. . . How could the faculty lose, with Mr. McWilliams on their side? . . . I know how it is--I used to like to eat the cookie dough, too. . . Do I remember playing hookey? I'll never FORGET it!!

Memories--that's what this yearbook is about--to preserve a year of learning, growing, sharing, excitement. Memories never grow old--they stay with us always. And no matter how much you change, there will always be a little bit of this time way back in your mind--so when you remember it, smile a little, and enjoy the good old days.

IN MEMORIAM

DAN TERNUS 1954-1975

The Annual Staff of Humphrey High wishes to dedicate this page of the annual in memory of Dan Ternus. Dan touched us all with his cheery ways and just by being here.

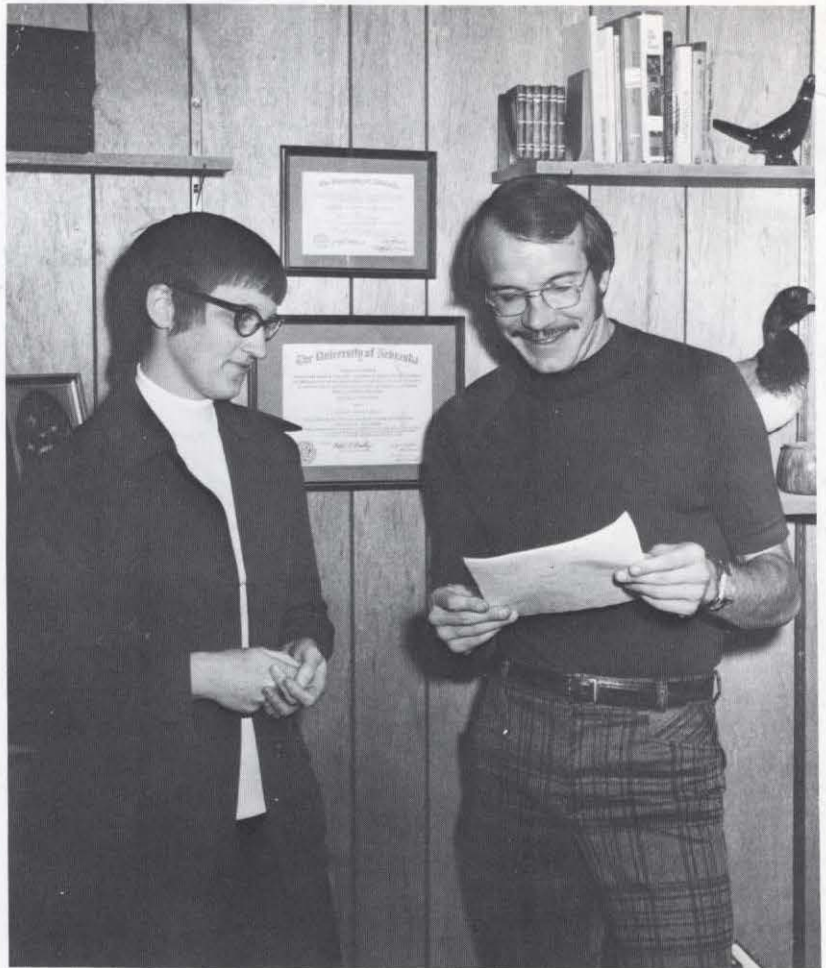

Dan was active in sports, was a class representative, and participated in activities outside of school. Whenever anyone needed help, Danny was there.

The memory of Dan will linger always in our minds.

FACULTY

AT THE TOP OF THE STAIRS

Mrs. Joyce Hamling, Bookkeeper; Mr. Steve Deger, Superintendent.

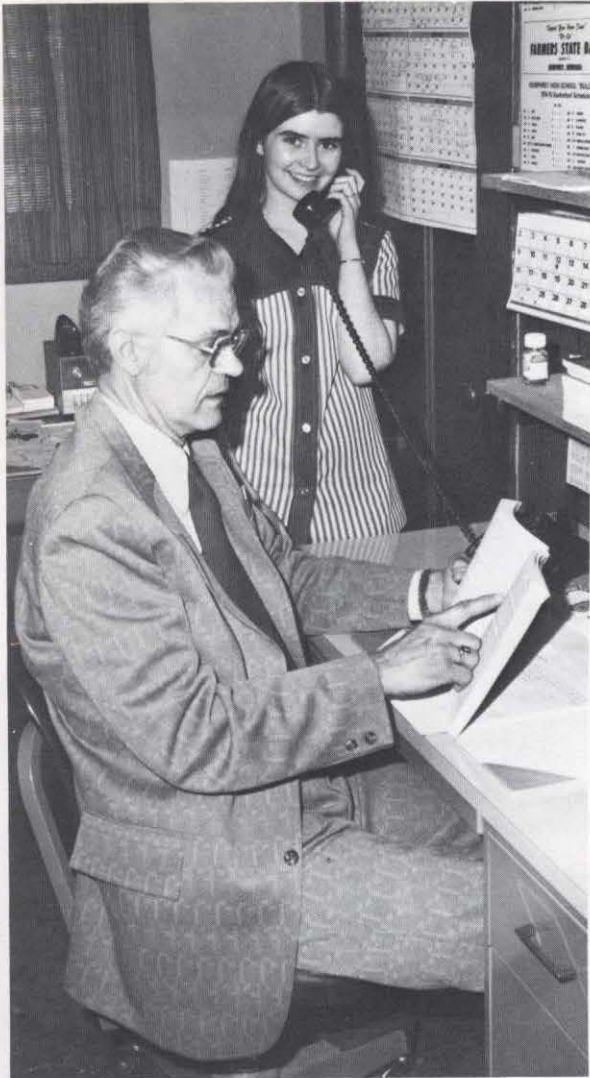

The theme of this yearbook is "Poems, Prayers, and Promises". These are lofty and inspiring words. As administrators and teachers, we would hope that these sentiments or symbols will in future years transform themselves into deeds and factual accomplishments. It is one thing to talk a ball game, quite another to play it.

In contemplating this annual it is hard not to think in terms of the Class of '75, a group in which I place great personal faith. A graduating class may be likened to a poem. As a poem is merely a collective group of words, so is a given class a collective group of people. The effectiveness and worth of either depends on the quality of individual contribution. The quality of the Class of '75 is a reflection of the fine qualities of many people.

A prayer invokes God's grace. WE may ask this grace for ourselves or for others. Our prayer would certainly be that God grace all the young people in our community, but particularly those who are leaving the protective as well as restrictive confines of our school and community, bless them in their future endeavors, whatever those endeavors may be.

The promise we make at Humphrey High School is to continue to be available to them when they have a need. We further promise to try to improve our school so that the times we have shared together shall have been learning experiences for us all.

Stephen C. Deger

Mr. Lucian Fuhrmeister, Principal; Mrs. Gail Rosenthal, Secretary.

GETTING OFF ON THE SECOND FLOOR

As the years pass, your yearbook will become more meaningful. Following the successes or failures of your classmates will be of considerable interest. Perhaps some will ask themselves why the opportunities made available to them weren't better used.

It is my sincere desire that each of you use the knowledge and skills acquired while at this fine school in establishing yourselves in your niche in life. May you be successful and happy.

TEACHERS made great strides this year towards improving their lot. Finally, after years of broken promises, their prayers have been answered. They received a new conference table and chairs in the teachers' lounge at the beginning of the year--a welcome relief from fifty-year old sofas with broken armrests and sprung springs. The library and music departments received hundreds of dollars worth of badly-needed equipment, and the art classes are now firing their ceramics in a bright, shiny new kiln. The business department sports modern secretarial type desks with new manual and IBM typewriters to match. The superintendent's, principal's, and guidance counselor's offices have all been remodeled. New cabinets are everywhere, providing more room for books and storage. We have new copying and mimeographing machines, making it easier for teachers to run off tests (ever wonder why you were getting more of them this year?!). All in all, the school was improved greatly--it's been easier for the teachers, and more enjoyable for the students.

Spirit of '76
1975 has been a busy year for the H.H.S. Juniors. Starting the year off they sold magazines to raise money. Also they had a Pancake & Sausage feed to raise more money for Prom. Despite the griddles that wouldn't work and a few other problems it turned out a success. Then came the planning for Prom and all the excitement with it. The theme for Prom was **KNIGHTS IN WHITE SATIN.**

REMEDIAL READING

The purpose of the remedial reading program is to make everyone better readers. The children worked a long time on phonics and sounding and blending words. They worked to increase their sight word vocabulary. They talked about the stories they read, and sometimes acted the stories out. They used costumes to make the stories and plays more interesting. Miss Gabrielli let the children check out books from a small "library" she kept.

The remedial reading program used many different activities to improve reading and vocabulary. They used the Hoffman machine to check their own work. Other aids were the sound page machine and the Craig reader. Games were played with flashcards and without --it helped when learning was a fun experience.

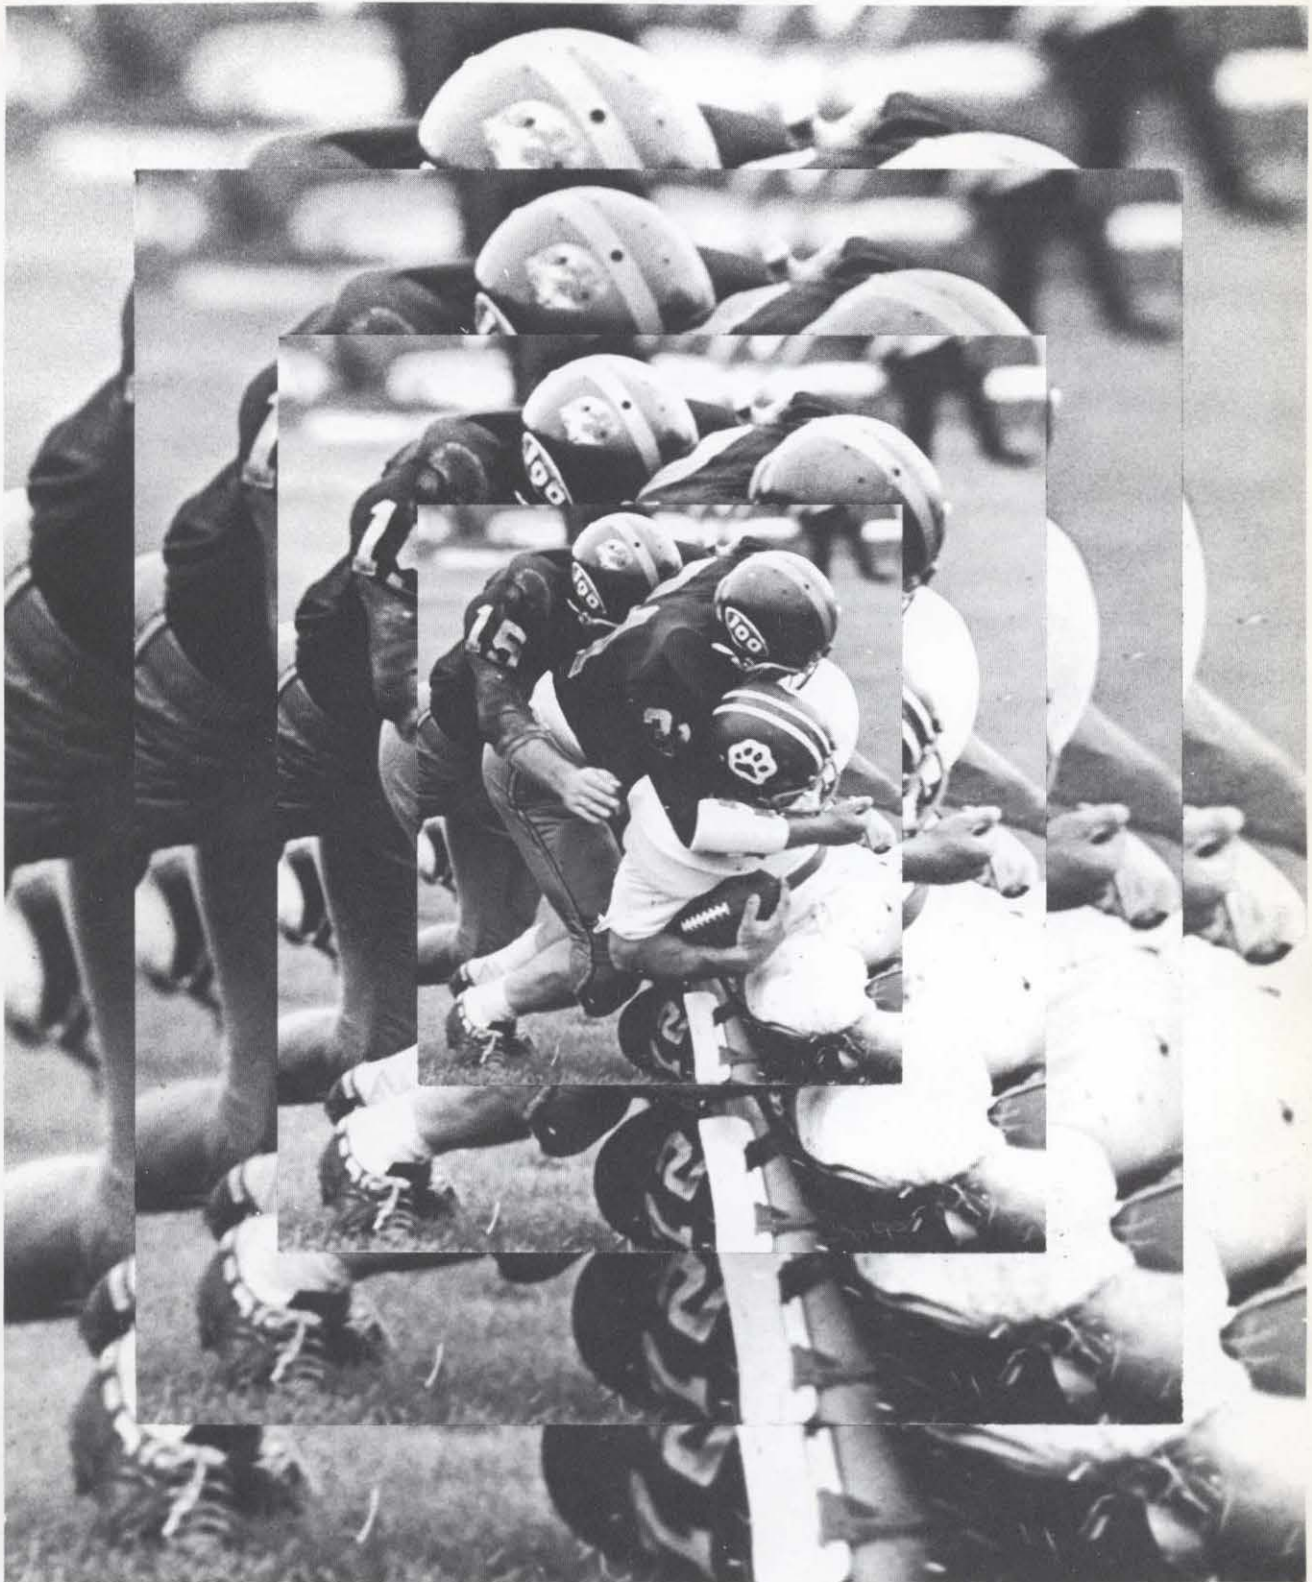

Miss Gabrielli with her aides Kim Korth and Lorraine Pfeifer.

This year's volleyball team was coached by Mr. Richard Moser. Coach Moser tried to work with the girls on the basic skills of volleyball and the areas where they were weak.

Experience was definitely gained by the girls as a result of this years work. The girls learned that you had to work as a team to win. Although the varsity team could not win a match they showed that with team work they could put up a tough stand.

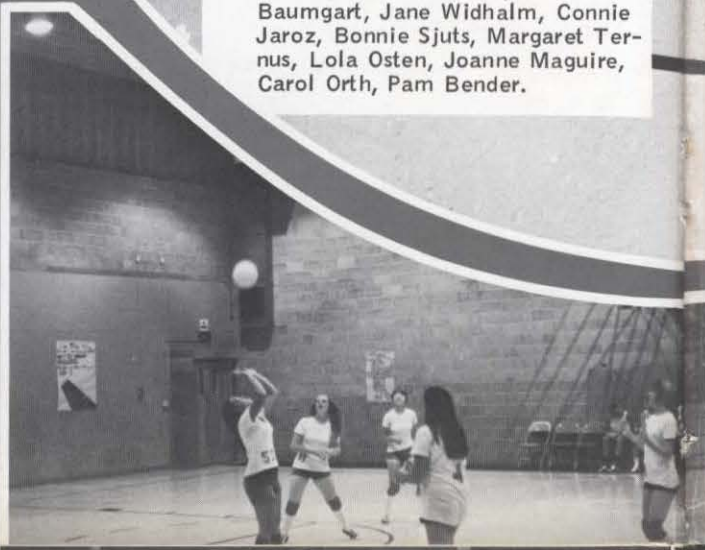

The reserve team showed the most improvement over the past year as they came up with four match wins and mighty close in several other games. The Freshmen also showed some promise for the future as they also hit the win column this year.

With some more hard work and a little bit of luck the girls should be a threat in the future. They hope to break their jinx of not being able to win a varsity match in three years next year and the best of luck to them.

Keep up the good work.

The 1974-75 basketball season ended with a disappointing 3-16 record. Inexperience was a major factor in their lack of success, as only two Seniors donned the togs for the Bulldogs. The young, but exciting Bulldogs provided many thrilling moments for the Humphrey loyalists. Coach Moss added this comment about the season: "We had many opportunities to win more games late in the fourth quarter; however, our lack of experience and self-confidence created many mental and physical mistakes which we were unable to overcome."

Starters for the Bulldogs this year were senior Ted Preister, juniors, Greg Brandl and Mickey Bender, sophomore, Matt Brandl, and freshman Robb Alderson.

The Bulldogs' finest hour came on January 7 as the team upset Class C Dodge 62-60 in double overtime.

Ted Preister led the way to victory with 23 points.

The most disappointing setback came in the first round of district play. The Bulldogs went down to defeat in 56-54 overtime. Victory seemed to be within reach, but a few last second mistakes cost us the win. Ted Preister turned in a brilliant performance as he poured in 35 points. Freshman Robb Alderson added 17 points. Ted led the way for the Bulldogs throughout the season, as he was team leader in both scoring and rebounding. He was All-Conference in both Mid-State and Sandhills-Gateway. Ted was also named honorable-mention All-State by the Lincoln Star Journal.

Although the season might not have been a total success, the team exemplified courage, desire, and most of all good sportsmanship. The Humphrey followers can be extremely proud of their Team.

2-MILE RELAY: Greg Brandl, Matt Brandl, Dan Krings, Paul Krings.

Greg Brandl is one of the top distance runners in the state--and H. H. S. is proud to say he's all ours!!

Track seemed to be THE sport at H.H.S. this year--for the girls and the guys both. We had some outstanding athletes who put the time and effort in to make a really great team. All total, they participated in eight varsity meets and two Freshman-Sophomore meets. Outstanding Performances:

GREG BRANDL, who had a hard time NOT capturing first place. His main events were the 880, mile, and 2-mile, where he set several meet records and qualified for the State Meet. At State, he set a school and State Class D record time of 9:43.7 in the 2-mile. He also placed first in the 880 and second in the mile at State.

PAT GRONENTHAL was our favorite high jumper, placing in four of the eight major meets. He captured third place at the Kearney Invitational, and we're expecting even better things out of him next year.

RANDY MELCHER, another distance runner, follows close behind Greg in the 2-mile. He placed third in this event at the District Meet, just missing qualifying for State.

The **TWO-MILE RELAY TEAM** of Dan Krings, Matt Brandl, Paul Krings, and Greg Brandl set a school record time of 8:39.3 at the Howells Invitational.

880 RELAY: Bernie Schmidt, Charlie Moser, Pat Gronenthal, Ed Slizoski.

Dan Krings was the only Senior on the track team this year.

Pat Gronenthal did a fine job in the high jump this year.

Randy Melcher was one of the best distance runners on the team.

NEWSPAPER STAFF

The school's first newspaper staff did a fine job this year. The bi-monthly paper, "Bulldog Business", informed faculty and students of the happenings at H.H.S. In it you could find class news, editorials, lunch menus, sports news, and up-to-date information about anyone and anything interesting around school (not to mention typing errors). ACTIVITIES

HOMECOMING 1974

Friday, October 4, started out just like any other school day, but in the air there was a touch of excitement. It was Homecoming 1974. At dinner a lively student body competed between the grades for the most spirit. After lunch, a pep rally was held in the gym, giving a glimpse of the great spirit to be shown that night at the football game between Humphrey High and Spalding. Classes were released after the pep rally to work on floats, each grade hoping to capture first prize in the parade that night.

At halftime that evening, the Freshman Class was given first prize for their float, "Trucking on to a Bulldog Victory". Seniors placed second with "Love is a Homecoming Victory", and the seventh grade was third with "Cream 'Em".

The Bulldog team aroused their fans that night as they

won their first game this season, defeating the Spalding Bluejays 40-22. At the end of the game a joyous group of students rushed onto the field to congratulate the guys.

Then the scene changed to the gym, decorated in red and white streamers with a large silhouette and the theme, "I Honestly Love You" on the south wall. A wishing well stood in the middle of the gym; the bleachers were full of students, faculty, parents, and alumni waiting for the crowning. The awaited moment came, and the attendants were announced: Freshmen, Sharie Orth and David Krings; Sophomores, Cindy Fischer and Paul Krings; Juniors, Peggy Hemmer and Randy Melcher; Seniors, Jane Hamling and Dan Krings. Tom Greisen crowned this year's queen, Andrea Kresha, and Gail Kudron crowned the king, Ted Priester. Crownbearers were Stephanie Deger and Leon Widhalm.

The Homecoming cake, made by Mrs. Cletus Widhalm, was two double tiers connected by a bridge. As the theme of Homecoming, the cake was entitled "I Honestly Love You". The white frosted cakes with red trimming were set on each side of a red fountain.

CHRISTMAS PROGRAM

"SANTA RIDES A JUMBO JET"
Under the direction of Mrs. Colhouer, the grade school, with the help of Swing Choir, presented their annual Christmas program. Each grade represented a different country of the world and entertained "Santa" and the Audience with songs and skits from that nation. Everyone agreed that Mrs. Colhouer and the kids did a great job, and the PTA's refreshments afterward ended a most enjoyable evening.

The fifth grade sings songs from Germany.

EASTER CANTATA

Mr. Colhouer directed H.H.S.'s first Easter Cantata, a religious story of Easter in song, in which all vocal music students participated. It was presented to the public on Palm Sunday afternoon.

John Lloyd was one of the soloists for the program.

Mr. Deger narrated; Margaret Lloyd was the accompanist.

Joe Mausbach sang a tenor solo.

Far Left: Bernie Schmidt was a baritone soloist. Left: Andi Krescha sang the alto solo.

Other soloists were John Ternus, Carol Orth, and Joan Widhalm. The narration was taken entirely from the Bible, beginning with Palm Sunday and ending with Easter in a glorious "Easter Song."

SHOP

Mr. Farber's industrial arts classes completed many fine projects again this year. Students in Woodworking I made footstools, candle holders, shadow boxes, and night stands. Gunracks, china cabinets, desks, and stereo cabinets were constructed by students in Cabinetmaking I and II. Much time and effort were put into these projects, and we wish to commend the students for their fine work. Roger Ternus received the Outstanding Shop Students Award this year for a china cabinet that he constructed.

The art classes, also under the direction of Mr. Farber, created many beautiful pieces this year. They worked with water colors, oils, pottery, metal etchings, and pencil sketches. The group brought home many ribbons from the Mid-State Art Show.

HEARTS 1975

After many hours of long work and preparation, the awaited night came. On Saturday, February 15, the 1975 Hearts Dance was held at the HHS gym. Decorations were centered around the theme "Seasons in the Sun". The gym was divided into the four seasons with a birdge and a large sun hanging from the ceiling. Spring was represented as a garden with a pond surrounded by hedges. In Summer, there was a summer house in pink and white where the cake, baked by Mrs. Cletus Widhalm, and punch were served. Autumn was decorated in green and orange trees surrounding a well. In Winter, there was a snowman, and a large red heart surrounded by twinkling lights. Here the crowning was held.

At eight o'clock, Miss Leatherwood announced the royalty. Chosen as Freshman attendants were Pam Bender and Robb Alderson. Sophomore attendants were Mary Hamling and Jeff Bender. Junior attendants were Nancy Korth and Micki Bender. Senior attendants were Ruth Brandt and Alan Ternus.

Crowned as Queen by last year's king Danny Korus was Debbie Bender, daughter of Mr. and Mrs. Howie Bender. Crowned as King by last year's queen Sandi Schmidt was Danny Krings, son of Mr. and Mr. Lou Krings.

An open dance followed with music by Crow Bait to top off an enchanting night.

"Knights in White Satin"

The 1975 Junior-Senior Prom and Banquet was held on May 4 in the gym at 6:45 p.m. The theme for prom was "Knights in White Satin", done in the junior class colors, pink and silver. The welcome was delivered by the mistress of ceremonies, Barb Krings. The response was given by senior class president Ted Preister. The meal, prepared by the junior class mothers, consisted of ham, salad, corn, potatoes, buns, and cherry dessert. After the meal, a skit was given by the sophomore servers, depicting the senior class at their ten-year class reunion. Vicki Baumgart read the class will. The junior class sang the theme song, "Knights in White Satin". Superintendent Deger made a few remarks at the close of the program. Music was provided at the dance by STRATUS. Breakfast was served at the Cornlea Steak House after the dance.

The Swing Choir, Trio, Triple Trio, Sextet, Mixed Chorus, Girl's Glee, Freshman Ensemble, and Jr. High Chorus all performed selections ranging from religious to modern. Especially well-received was the Mixed Chorus' version of "I Believe", sung as a duet with "Ave Maria". All agreed it was one of Humphrey High's best programs ever.

Linda Brock, Salutatorian

Mr. Stephen Deger, Superintendent

Commencement Exercises for the Class of 1975 took place on Friday evening, May 16, at 7:30 p.m. The procession began with "Pomp and Circumstance", played by Mrs. Virginia Colhouer and Sharie Orth. Mr. Steve Deger, Superintendent, was Master of Ceremonies. Speeches were given by Janet Denkinger and Linda Brock, class valedictorian and salutatorian, respectively. The Honorable Don Dworak, State Senator, gave the commencement address, and the Senior Girl's Triple Trio sang "Graduation Day". As Mr. Deger awarded the diplomas, background music, "Rhymes and Reasons", by John Denver, was played. As each graduate left the stage, a longstemmed yellow rose was presented him by the Junior escorts, Dean Korus and Barb Krings. Scholarships were awarded to many class members. The recessional, "We May Never Pass This Way Again", by Seals and Crofts, was played as the class marched out and formed a receiving line to be congratulated by parents and friends.

SCHOLARSHIPS

Janet Denkinger received a scholarship to Washington U., presented by Mr. Jim McWilliams.

Andi Kresha was awarded a scholarship to Platte College by Mr. Leon Sanders.

Mr. Bob Voboril, County Extension Agent, presented Margaret Lloyd with the Union Pacific Grant.

Miss Jane Casanova awarded scholarships from Yankton college to Margaret Lloyd and Hugh Zavadil. Mr. McWilliams looks on.

Linda Brock was given a scholarship to Midland College by Mr. Cecil "Bob" Walker.

Members of the Class of 1975 were very proud to be honored by scholarship offers in excess of \$34,000. Of course, all of the scholarships could not be accepted, but the total sum certainly reflects on the fine quality of this year's Senior class. Two students, Janet Denkinger and Margaret Lloyd, were offered two of the three major Platte County Agricultural Society Scholarships (\$2000 each) which are awarded each year to outstanding Platte County Seniors. This is the first time two students from one school in Humphrey have been chosen as recipients of the scholarship, and although neither was able to accept the award, it nevertheless puts H.H.S. into a fine light.

Scholarships which were accepted are as follows:
 Deb Bender: \$100 to Columbus Beauty College.
 Linda Brock: \$500 per year to Midland College.
 Janet Denkinger: \$4000 to Washington University;
 Elks Club Scholarship; Jr. Miss Scholastic Achievement Scholarship.
 Kim Korth: \$100 Faculty Scholarship.
 Andrea Kresha: One-year tuition waiver to Platte College.
 Margaret Lloyd: \$4000 to Yankton College; \$400 Union Pacific Scholarship; Elks Club Scholarship.
 Joan Widhalm: Jr. Miss Talent Scholarship.
 Hugh Zavadil: \$4000 to Yankton College.

FROM YOUR EDITORS

Hi Everybody!

This is your annual; the annual staff has worked many long, hard hours on what we believe is the finest yearbook ever produced by this school. We hope that you think so, too, and will treasure the memories preserved in this book. We ask that you patronize our sponsors, for if it were not for them, you would not have as large or fine a book as you do.

We would especially like to thank:

Mr. Bill Jandric, for his constant encouragement and advice;
Mr. Jim Frieze, for his excellent photography and help with meeting our deadlines;
Mr. Steve Abbott, for many of the fine pictures you see in this annual;
Mr. Jim McWilliams, for delivering pictures for us;
Our patrons, for their support; and
Our teachers and administrators, for their co-operation.

Marg & Janet
