The seasons change and it will show,
I will age and so will you,
But our friendship stays, strong and true*

~ Class Poem ~

Risk

To laugh is to risk appearing the fool.

To weep is to risk appearing sentimental.

To reach out for another is to risk involvement.

To explore feelings is to risk exposing your true self.

*To place your ideas and dreams
before a crowd is to risk their loss.*

To love is to risk not being loved in return.

To live is to risk dying. To hope is to risk despair.

And to try is to risk failure

The Bulldogs started the season off good with a win against Rising City. Even though the team couldn't win the next few games, the fans could still tell that the Bulldogs were trying their hardest. The Bulldogs had some high points when they beat Rising City and Walthill, but also had some low points from the players getting injured. "This year was a good season and we improved a lot as the season went by," said Coach Luther. "We still need to work on a few things, like improving in the off-season, such as weightlifting and more people for 5 on 5. But, I'm looking forward to next year to try some new stuff and have some fun." Good job guys!!!

The 2002 Volleyball season went very well. Team Captain, Krystal Flamig, said, "The whole team worked hard this year and we really improved a lot as the season went on. This year's team consisted of a lot of under classmen that haven't had much experience and learned a lot in this season." Carla Schwarz said, "We played really well in most of our games even though it didn't seem like it. I think next year there will be a better team because the volleyball team is only losing two players this year. The younger girls that joined the team this year have a lot of talent. Our new coach taught us a lot of new things and had a lot of confidence in us all year. I hope she leads her team to victory next year. I wish them luck in next year's season." Brooke LaBenz said, "I wish I would never have broken my nose during weightlifting so that I could've played more than half the season." Way to go, Lady Bulldogs!!!

The sophomores were Melody Schrant and Lacey Labenz. Freshmen were Kayla Jones, Katie Macken, and Ashley Campbell. Assisting the girls during games and practices were student managers Josh Meyer and Paige Frauendorfer.

The girls never won a game, but they came close. At the game against Elba, the girls only lost by seven points. At the Rising City game, they came within eight points of tying. At the last game of the season, the Lady Bulldogs lost by only one point to Walthill.

When asked what he thought of the season, Coach Luther said, "While we didn't accomplish our goal of beating St. Francis this year, we did improve vastly from the beginning of the season. We have laid the tracks to the beginning of a great program."
