the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people, and the UK Government has set out a strategy for the 21st century (Department of Health 1999). The strategy is based on the principle of 'active ageing', which is defined as 'the process of optimising opportunities for health, participation in society, and security in old age' (Department of Health 1999, p. 1).

The strategy is based on three pillars: health, participation and security. The Department of Health has set out a number of objectives for each pillar, and has identified a number of key areas for action. The key areas for action are: health, participation, security, and the environment.

Dear it's been a long time coming, but you're the best of an
old soldier. When we found out we were having a sixth child,
it was quite a shock that the 1 hour old people, not a other
going to keep us young or make us grand old. I know you
have kept us young otherwise we wouldn't be participating in
social activities that we do. We have enjoyed our youngest to
the fullest.

Thank you son,
Mom & Dad

Lacey,

Time sure has flown by through the years. There are a
lot of things I wish we could now do together, but there
are still a lot of things we will do together. Congratulations
you actually made it. And the best of wishes in all of your
life's endeavors.

Love,
Mom & Dad

The Bulldogs had a spectacular year, breaking a thirteen year streak of not going to playoffs. The Bulldogs earned a playoff berth by finishing the regular season 4-4. The playoff game was at Clay Center. It was a very exciting game that drew a large crowd from both Humphrey and Clay Center. Although the Dawgs lost the game, just being there and making it that far was a great accomplishment.

The boys worked well as a team this year, and their hard work paid off. The team put extra time and effort into their practices in order to go all the way. Many of the players were pleased with what they achieved, and many more are looking forward to next year already. Courtney Radke said, "It was a good season and it showed promise for more improvement for next season."

Leaving the team were seniors Adam Esparza, Garrett Fleming, Derick Frauendorfer, Justin Preister, and Justin Ternus. The Bulldogs are not discouraged by this, though. Junior Marc McPhillips said, "We are a young team. With hard work, we will see more success and continue to improve. I believe we will make it to playoffs again next year and we will keep moving forward."

The Humphrey Bulldog Volleyball team played an awesome season. Though it started off rough, the girls came through with some great team efforts and wins. The team had some sweet wins. Katie Macken, junior team captain said, "I thought the season was great. We worked hard during practice and played together as a team and it showed when we started off the season and started winning. I think the whole team improved throughout the season and everyone had the desire to win and was willing to do whatever it took to get the win we deserved. It was great to see the number of girls out this year compared to other years. I hope next year will be even greater."

Next year for the girls should be even better because the team is young. With only three seniors graduating this year, the team is left with many strong juniors, sophomores and freshmen. Melody Schrant, senior team captain said, "This season was one of many accomplishments for us. We worked hard and it showed with the wins we got. I am proud of all the girls that stuck it out and put their whole heart into the season. I hope that next year they will also have strong dedicated team to bring home more wins."

The Humphrey High Bulldogs have had a great season this year. There were wins and losses, but the Bulldogs never gave up. One of the team captains, Garrett Flamig, had this to say about the season: "The season this year went a little rough for some because of the fact that we had a brand new coach, but other than that I'd say the season went pretty well.

The underclassmen have a long way to go and a lot to learn, but I think that there is success in their future."

Another team captain, Justin Ternus, said "I thought we could of done better this year. We lost a lot of close games. I was disappointed in this year." Justin Preister, the third team captain, said, "Some continuous troubling moments during games did us in."

Even though some of the team has a negative view of the season, the new head coach, Gary Bender, is a little more upbeat.

"By no means does the win/loss record portray a true reflection of the season. We played in many close games that could have gone either way. The team's hardwork, athleticism, energy, and work ethic made them a competitive team that I was proud to be a part of."

All in all, the season was pretty good. I think that the Bulldogs have a lot of talent coming up, which they need to replace the senior talent that is leaving this year. I look forward to coming back next year and watching the games. Go Bulldogs!

The Lady Bulldogs had a tough but good season. The bulldogs showed alot of improvement. Even though they only won one game they still never gave up. The bulldogs had some close games but still didnt get their win. The Bulldogs had some injuries this season but ended okay. Coach Luther says, "It was a tough but good season. It was a lot of fun working with this group of girls. They gave excellent effort, that's not always easy to do when you are down. Illness and injuries really hurt us this year, with having so few out." Senior Melody Shrant says, "It was a hard disappointing season for us. We didn't get the wins we know we could have. I'm going to miss playing basketball with everyone next year and I hope they bring home the wins that they are capable of." Junior Kayla Jones says, "It was nice to see that we had more girls out this year than last year. We all worked hard but in the end it was nice to bring home a win. Hopefully we can improve for next year."

The Bulldog track teams put in a lot of hard work and dedication to make the season a great one. There were multiple state qualifiers this year. Qualifying on the boy's track team was Garrett Flamig, in both the 110M and the 300M hurdles. On the girls' side, Lacey Harris qualified in both the 100M and the 200M. Katie Macken qualified in the triple jump and the 400M relay team, comprised of Lacey Harris, Jordan Costello, Ashley Cummings, and Sara Macken also qualified.

Of the season, Coach Frauendorfer said, "This year's girl's track team was a great surprise, and a lot of fun. There was very little negative, and a whole lot of positive about this team. The girls set their own goals and went out and got them. We had super individual performances. I couldn't have asked for a better group of girls to work with. Together, they made this year's track program something we can all be proud of."

Coach Brandl said, "We had a good year in boy's track, we had boys show improvement on times and marks weekly.

Garrett Flamig broke two school records in the hurdles.

The boys gave good efforts which made it fun and rewarding."

The key to success? "Always follow through," says first time State Golf qualifier Tyler Christensen. Tyler was the first golfer from Humphrey to qualify for the State Meet held in Lincoln.

The Humphrey Bulldog golfers had a good year, qualifying their first golfer for state. Tyler Christensen qualified for state at the district meet held in Fremont. He shot a 95 on the eighteen hole course. While this was the highlight of the Bulldog golf season, there were many personal bests shot on courses throughout the season.

Coach Barb Kelly said, "In only our second season of golf, I was pleased to see the improvements that were made by the team and individual members. To have a state qualifier is also very exciting. As a team we accomplished some of our goals, and will work next year on accomplishing more of them."

Student Council was very active this year. Some of the things they did were sponsor spirit week, they sponsored the Hearts Dance, they participated in assemblies to learn how to make the school better, and they also spent the money they raised to buy breakfast for the student body before they took their CAT-6 tests. There is so much more that they did for us and we thank them for their hard work and determination.

FCCLA focused a lot this year on taking a stand against drugs and violence in our schools and communities. Pictured below is a sign that hung outside the cafeteria, pledging our students to take a stand and just say no to drugs and violence.
