The background of the entire page is a grid of small, overlapping portraits of students. The portraits are arranged in a pattern that resembles a book's spine or a decorative border. The students are of various ethnicities and are shown from the chest up, looking towards the camera. The colors of their clothing and the lighting in the photos vary, creating a rich, textured background.

### Hannah,

Remember these promises:  
Great strength comes from  
faith in God; Zechariah 12:5.  
You will have perfect peace if  
you keep fixated on him.  
Isaiah 26:3

He will provide what you  
need everyday; Matthew 6:11.  
Hannah, when you let your  
own light shine, you  
unintentionally give others the  
permission to do the same.  
Know that you will always  
be loved.  
Mom & Dad

### Luke,

From the time you were  
born you have been a true  
gift to us. You were  
always a happy and  
cooperative one. As you  
grow into the man you've  
become, you are amazing,  
caring, and responsible. I  
am so proud of every man  
that you carry within your  
personality. I know you  
will do well in life!  
Congratulations my son!  
I love you very much!  
Love,  
Mom

Thanks for being the good  
person you are. Stay on the  
same path and I'm sure  
you'll go far!  
Love,  
Dad

### Molly,

It's hard to believe  
you've grown up so  
quickly. We are so  
proud of everything  
you have  
accomplished.  
Congratulations and  
God Bless you  
always!  
Love Dad, Mom,  
Lacey, & Kevin

### Kristen,

You're a very special  
daughter, sister, and  
aunt. We've enjoyed  
watching you grow up to  
be a wonderful young  
lady. You can do  
anything you set out to  
do. We believe in you!  
Love,  
Mom, Nicole, Ashley,  
Tyler, Clara, & Dad

### Becky,

You are not only my  
daughter but you're also my  
best friend. You have  
brought so much joy to me  
and your Dad, and we thank  
God for bringing you into  
our lives everyday. We  
know you will go far in  
whatever you decide to do  
with the rest of your life.  
Just go out and take the  
world by storm, because  
they won't know what hit  
them. You are a kind and  
loving person, with a great  
personality, just remember  
everything you have  
learned, and you will go far.  
We love you with all our  
hearts. God Bless You!  
Mom & Dad

### Chase,

We especially want to  
tell you how you  
have brightened our  
days, brought us  
happiness, and love  
in so many  
different ways.  
May all your  
wishes, new  
hopes, and dreams  
combine to make the  
years ahead of you  
the best there is.  
We are proud of you.  
Love,  
Mom & Dad

### Autumn,

From the first time we met, I knew this would be true: you have so much to bring you here and now. I'm so proud to be your pa. These eighteen years went by so fast. I'm so proud of you and the things you have accomplished. Now it's your turn to get busy. I know you will do great things with your life. Always remember the things you have to struggle for have the sweetest rewards. Thank you for all the happiness and pride that you bring into my life. Being your mother is such a pleasure.

Love, Laugh, and Love  
I love you,  
Mom

### Dennis,

Way to go Dennis!  
You finally made it!  
You have been a joy  
to have around and a  
great role model for  
your younger  
siblings. We are  
very proud of you  
and love you  
very much.

Love,  
Mom & Dad,  
Dwight, Dexter,  
Desiree, Duncan,

Watching you grow and  
evolve into the wonderful  
person you are today has  
given us a lot of joy and  
laughter (and a few gray  
hairs!). We are so proud of  
you and all of your  
accomplishments. Keep  
God & family close in  
your heart, rely on the  
values you were raised  
with, and know that your  
family loves and supports  
you as you venture  
into the world.

Love,  
Mom & Dad

Congratulations!  
You did it! We are so

anything if you put your  
mind to it. Keep working  
hard, stay true to yourself  
and keep God close to your  
heart. We love you and are  
very proud of you!

Love,

very much.

Mitchell

Love,

Mom & Dad,

Amy, Abbie, & Zac

**Brandon,**

Yesterday I was walking  
you to your first day of  
kindergarten, today you're  
graduating. Like golf, it  
takes experience and  
learning to get better.  
You're on par, now turn  
your future into holes.  
There will be hazards,  
but know, sometimes, a  
hole is better than  
quitting the round.

We are so proud of you.

Congratulations  
Brandon!
