We are so proud of you and everything you have done through your life. You have never backed down from a challenge, no matter how big or small. I have put you in everything I could possibly think of and you always come out on top and with a smile. But, that was usually because Dwyight was telling you a joke about something. Dad and I do not know what we would have ever done without you in our lives. Watching you and your brothers all these years has been so much fun now we get to watch you move to the next stage of life and we cannot wait to see how this turns out. Love you lots.

Mom and Dad

Alex,

Ashley,

*When smiles are hard to come by and you're feeling down
When you spread your wings to fly and can't get off the ground
Remember - you are loved.*

*When your loved ones are far away and you are on your own
When you don't know what to say, when you're afraid of being alone.
Remember - you are loved.*

*May you see the love around you in everything you do
And when trouble seem to surround you, may all the love shine through
You are blessed - you are loved. (Inspiration: You Are Loved by Roger Packard)*

Love - Mom & Dad

Dear Kyrin,

The last few years have been tough, but I'm proud of the way you pulled through! I will back you in whatever you decide to do in the future and I hope you know my home is always there for you! You have been a good kid with the usual bumps in the road, but I don't know of too many that ever have a smooth ride. You mean a lot to me and being my last one to graduate it is hard to see you go! I know we will always be close and hope we can always have our bond for the outdoors to share!!! GOOD LUCK on your future plans and I Love You and will always support you!!!

Love, Dad

Mariah,

It is hard to believe you are graduating. It seems like you were just starting kindergarten a few years ago. You have done very well in school and we wish you continued success in whatever you choose to do with your future. Please know that Dad & I will always be here to support you and help you in any way we can.

We love you and always will.

Mom & Dad

Alex,

You have accomplished so much through hard work and determination, and we couldn't possibly be any prouder of you!! Keep that positive attitude and the best is yet to come. You will have ups and downs along the way - just remember your family will always be here for you. Congratulations on the amazing young lady you have become, and thanks so much for all the smiles along the way!

*Love,
Mom & Dad*

*Kael,
 Son, as your graduation nears, Mom
 and I are very proud of you and the
 man you are becoming. It has been
 an amazing journey watching you
 grow. You have a kind and caring
 heart; let it be your guide
 throughout your life.*

*Love,
 Mom and Dad*

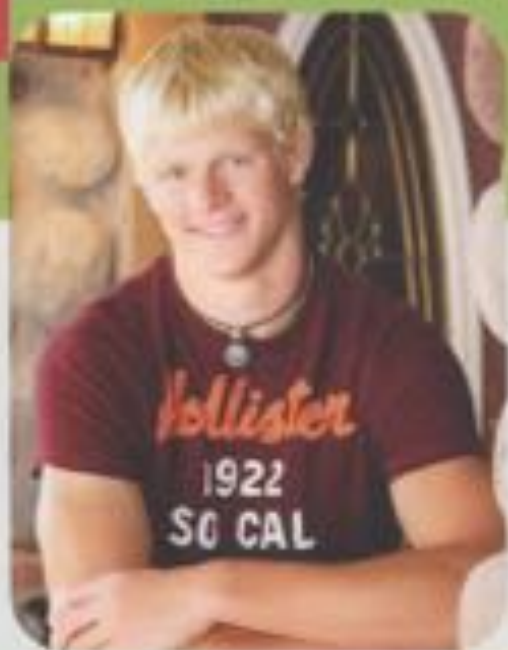

*Alex,
 My sweetest boy, from the moment I saw
 your bright shiny blue eyes, I was hooked.
 It has been so much fun to watch you
 grow and thrive in everything you have
 done these past 18 years. As you move
 on to the "beat of a new drum,"
 remember that no matter what life
 brings you, I will be right beside you.
 Enjoy life and be happy.
 I love you, always and forever...
